

**Gregory H. Cobb**  
**Director of Insurance Solutions**  
**Sage Advisory Services**

Greg serves as Director of Insurance Solutions, focusing on general portfolio strategies, asset allocation, and risk management solutions for the insurance industry, both traditional and in the world of alternative risk transfer. In 2024, he made entry into the Captive Review Global Power 50, and for the fourth consecutive year, he was recognized by Captive International as Asset Manager of the Year. He also serves as a faculty member for the International Center for Captive Insurance Education. Greg began his career in 1987 and has served as Senior Portfolio Manager for the Institutional Asset Management arms of both SunTrust and Bank of America, with a specialization in insurance company portfolio management. From there, he served as Managing Director and Chief Investment Officer for Sovereign Advisers and Lead Strategist and Director of Fixed Income for Boyd Watterson Asset Management. Greg earned a BS in Economics from the University of North Carolina at Chapel Hill and is a member of the CFA Institute.
